

Utah Floodplain and Stormwater Management Association Awards

Excellence Award

Presented to a team or individual for a project that reduced flood hazards, enhanced natural functions of the floodplain or otherwise benefited floodplain functions.

I nominate _____ for their Excellence in Floodplain Management. Please describe the project and the benefits from this project. Please include Project Coordinator's name.

Outstanding Leadership Award

Presented to a team or individual for leadership in the Floodplain Management arena. This person(s) took responsibility and went beyond the call of duty to benefit the natural functions of the floodplain or other floodplain management benefits.

I nominate _____ for their Outstanding Leadership in Floodplain Management. Please describe the activities this individual or team has participated in to receive this award.
